

## ppm+ Release contents v18.0.14:

**Date Expected Live:** Tuesday 23 Jan 2018

**Contents:** V18.0.14 is a hotfix release to deploy the following text changes to the UPL forms:

- TCI Time to be renamed TCI Decision Time to clarify the data seen
- 'Updated' section to be renamed to 'Patients With a Plan', so that it is clear what I need to do manage patients within the Trust.

### Features:

[CP-14671] - Text change to TCI Time

[CP-14672] - Text change to Updated section
