VIEWING A CUSTOM PATIENT LIST

Step 1

From your PPM+ Homepage, click on "Browse List".

Step 2

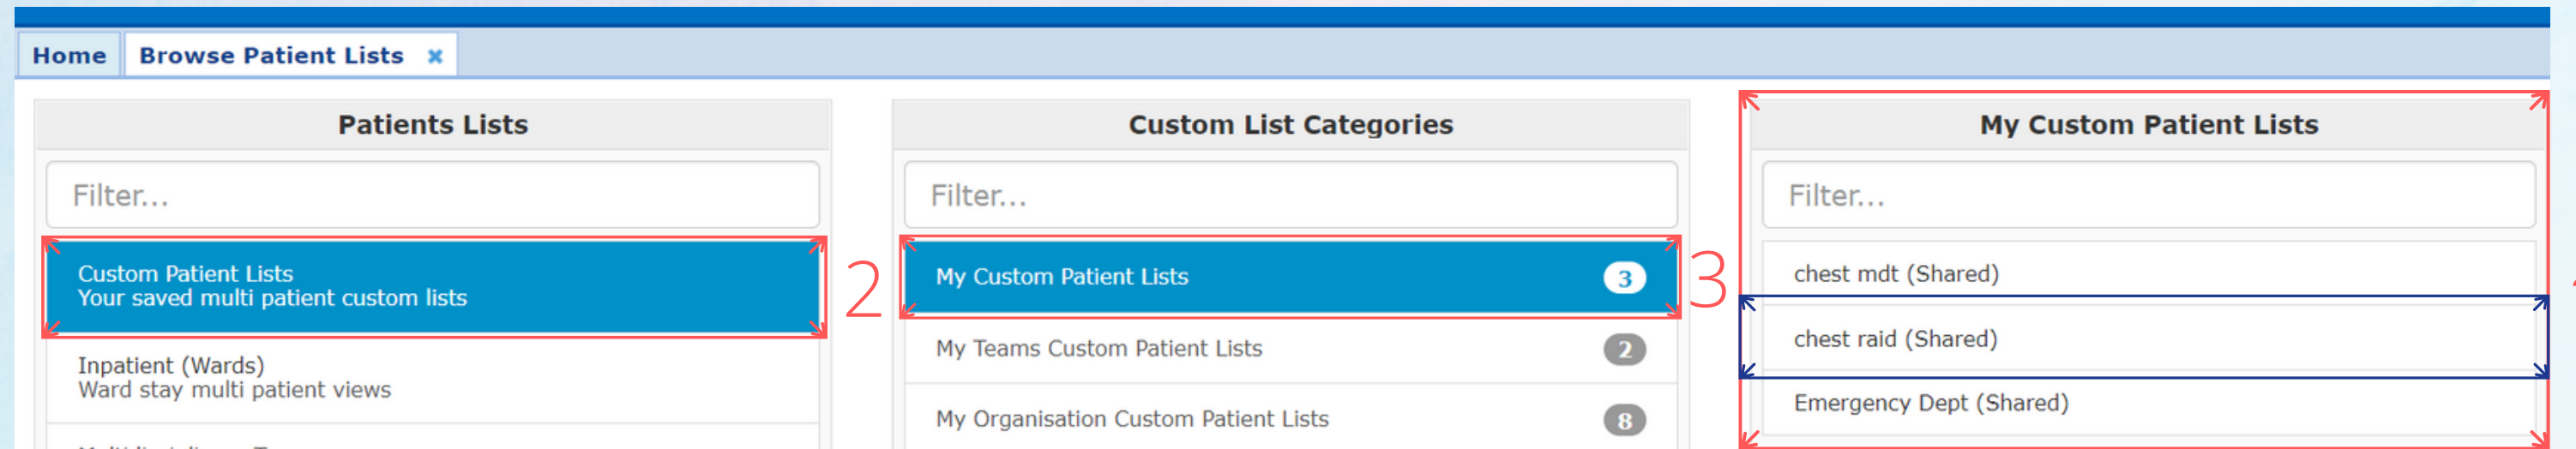

From "Patients Lists", select "Custom Patient Lists".

Step 3

From "Custom List Categories", select "My Custom Patient Lists".

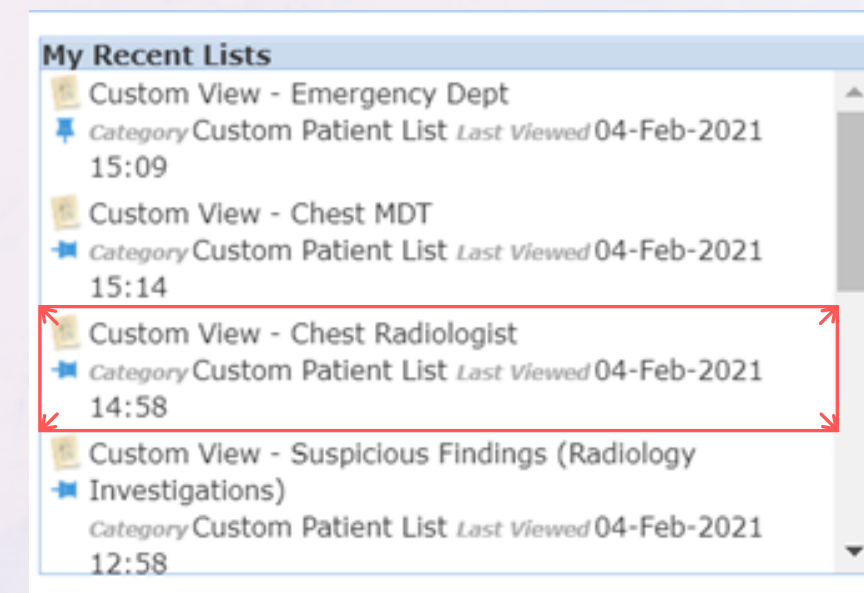

Step 4

From "My Custom Patient Lists", select the relevant list you want to view.

Step 5

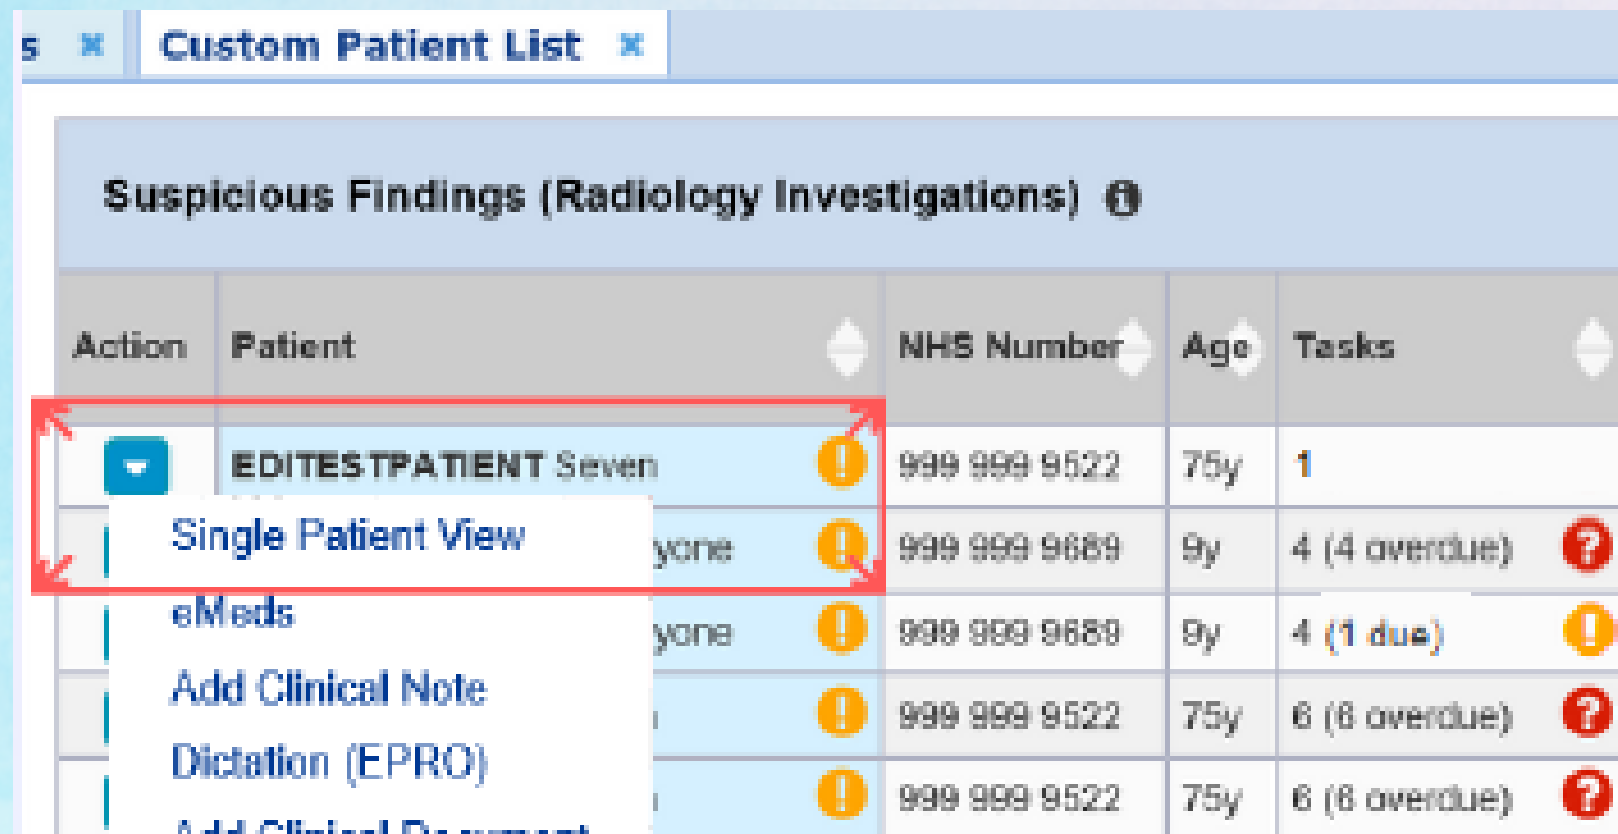

Once you have viewed the list, it will appear on "My Recent Lists" on the Homepage. You can pin it to fix it to the top of the list.

TO REQUEST FURTHER INVESTIGATIONS USING ICE

Step 1

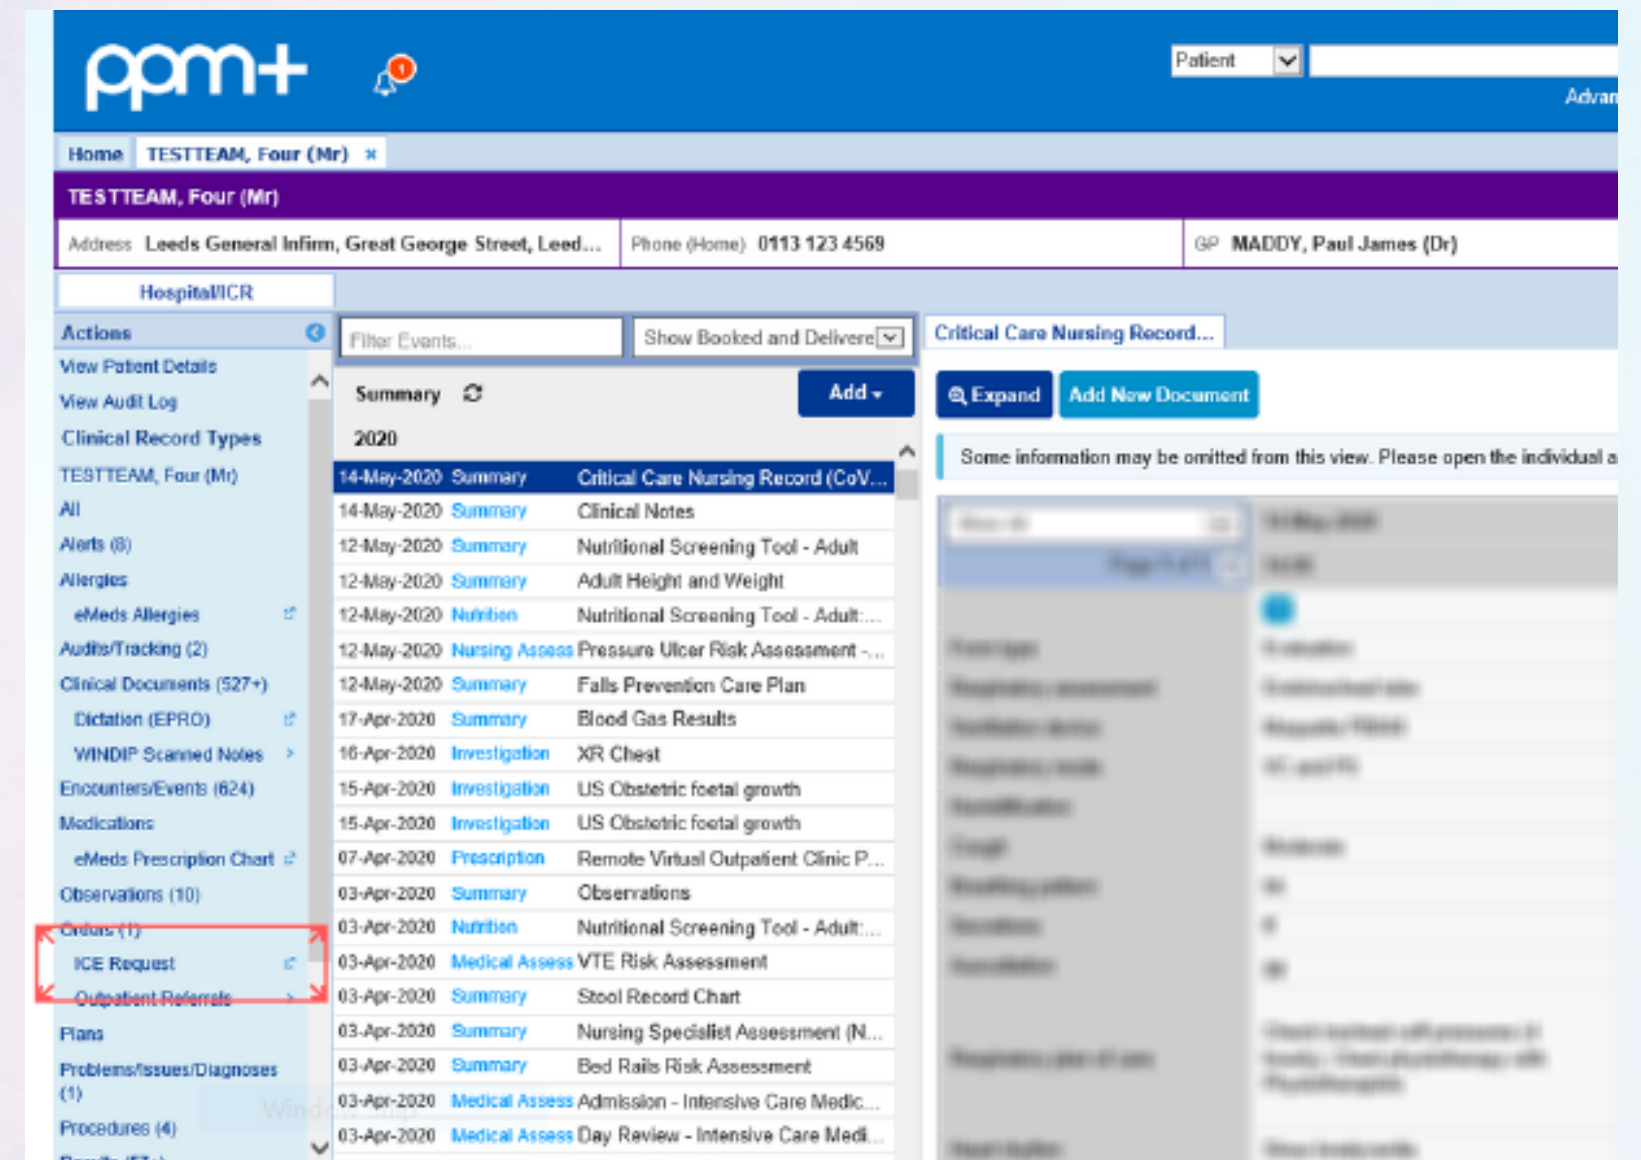

From your Custom List, click on the blue action arrow next to your selected patient's name, and click on Single Patient View.

Action	Patient	NHS Number	Age	Tasks
	EDITESTPATIENT Seven	999 999 9522	75y	1
	...	999 999 9689	9y	4 (4 overdue) ?
	...	999 999 9689	9y	4 (1 due) !
	...	999 999 9522	75y	6 (6 overdue) ?
	...	999 999 9522	75y	6 (6 overdue) ?

Step 2

Click on ICE Request to go to the patient's record in ICE OrderComms to request further investigations.

The screenshot shows the patient record for 'TESTTEAM, Four (Mr)'. The left-hand navigation menu is open, and the 'ICE Request' option is highlighted with a red box. The main content area displays a summary of the patient's record, including a list of events and documents.

COMPLETING A TASK

Step 1

From your custom list, click on the task box for your selected patient, this will open their Task. Or alternatively, click the blue action button next to the patient and select Launch Task.

Emergency Dept ⓘ				
Action	Patient	NHS Number	Age	Task
	BADGER Testme	999 327 8211	41y	Requesting Clinician
	BADGER Testme	999 327 8211	41y	Requesting Clinician
	BADGER Testme	999 327 8211	41y	Requesting Clinician
	TESTSDEC Testtask	905 220 3326	20y	Requesting Clinician
	BADGER Testme	999 327 8211	41y	Requesting Clinician

	EDITESTPATIENT Seven	999 9 9522		
--	-------------------------	---------------	--	--

Add Clinical Note
Add Clinical Document
Launch Task

Step 2

When completing the e-form:

If you select Yes or Not Applicable, the task will close taking the patient off the list.

If you select No, the patient will remain on the list.

Further Comments are mandatory when selecting Yes or Not Applicable.

Once the form is submitted, a copy of this information will be available in the Single Patient View.

Suspicious Findings Task Resolution

This notification has been created as the possibility of a suspicious finding has been noted within the patient's Radiology Report. Please review the report above to ensure the correct action is taken.

WITHDRAWING A TASK

(If a task has been submitted in error)

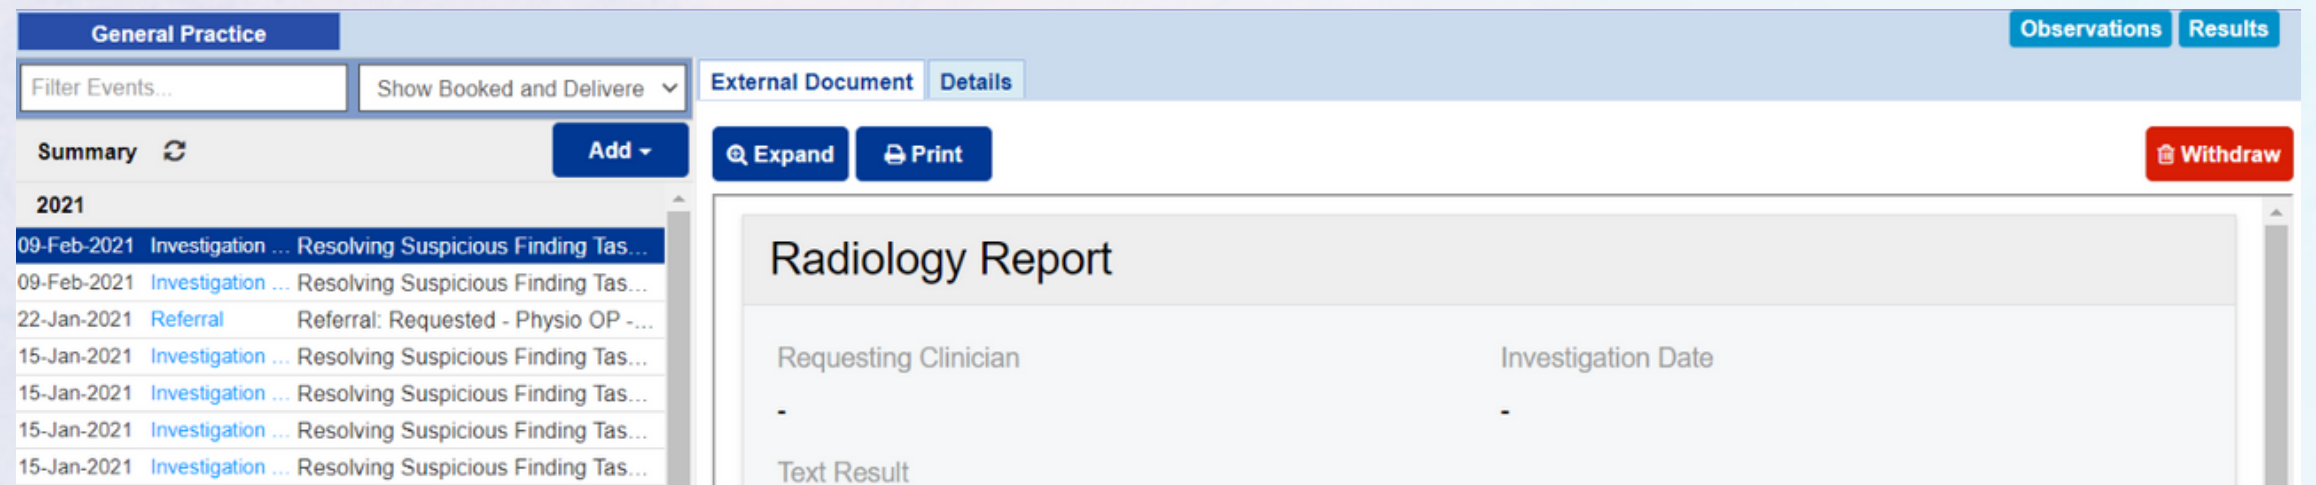

Step 1

Search for the patient and open their single patient view.

Step 2

Locate the task you wish to withdraw and click on the red withdraw button.

Step 3

A withdraw box will appear asking you to enter a reason why the document is being withdrawn. Enter a reason and click withdraw. The patient will now appear back on the list as an active task.
