

Child and Family Assessment Now Available In PPM+

The **Child and Family Assessment** eForm can be completed via the **PPM+ Mobile App** and the Desktop version of **PPM+**.

To add the eform for your patient, click on **eForms** in the **PPM+ Mobile App** or **Add Clinical Document** from a desktop. Now search for **Child and Family Assessment**. You can add it to your favourites by clicking on the star in the desktop version or swiping left on the **PPM+ Mobile App**.

Click on the eForm and answer the questions. Please be aware, questions with an **asterisk (*)** are **mandatory** and must be answered before you can submit the eForm. Once you have completed the eForm, click on **Submit**.
