

eWhiteboard views

Now you can change the information displayed on your eWhiteboard by choosing between the following three options: **ward view**, **patient flow** and **safety huddle**. When you select one of these options, the eWhiteboard columns will change to those that relate to the chosen view.

To change the view, please select your ward in PPM+. Click on **eWhiteboard View** and choose which view you would like to show in your eWhiteboard.

Ward View (default)
Patient Flow
Safety Huddle

*After 30 mins the eWhiteboard will revert to “Ward View”

*Once you select your new view it could take up to 60 seconds for it to appear on the eWhiteboard
