

Child and Family Assessment Tasks are now available in ppm+

Child and Family Assessment Task will be generated on admission, after seven days and on ward transfer. You can view the task in the **Tasks Column** on your Ward View.

To complete the task click on the **Task column cell** for your patient in the **ward view**.

Ward View: TEST EPR ZZZ St James's University Hospital,						
Action	Ward	Patient		Age	Time Since Arrival	Tasks
	TEST EPR ZZZ	AUTOMATION Inpatient Test	!	21y	120d 1h 48m	9 (9 overdue)
	TEST EPR ZZZ	BECK Adrienne		93y	7d 17h 17m (WA)	3 (3 overdue)

Select the **Child and Family Task** and **complete** the Child and Family Assessment.

Alternatively, you can complete a **Child and Family Assessment** via **Add Clinical Document** in **Desktop PPM+** or via **eForms'** in **PPM+ Mobile app**.
