

Children's Patient Wellness Assessment in ppm+

The **Children's Patient Wellness Assessment** can be completed via the **PPM+ mobile app** and the **Desktop version of PPM+**.

You can **access the assessment** via the **observations column** present in the **ward view on PPM+**. The **Observation window** will open. You will need to click on **Take Observation** to start the **Patient Wellness Assessment**.

Observation window for CHILD FAMILY, Five. It shows a table with columns for Observation Scores, Current Score (4), Previous Score (Unrecorded), and Pain Score (0). The window includes tabs for Observations, Table, Chart, Settings, and Audit. A 'Take Observation' button is at the bottom left.

Complete the **Assessment**. Once you have completed the assessment, click on **Submit**.

Patient Wellness Assessment form for CHILD FAMILY, Five. It includes questions like 'Is the patient able to self-advocate?' and 'Ask the patient, "how are you feeling now?"'. There are buttons for 'Good', 'Okay', 'Bad', 'Better', 'Staying the same', and 'Worse'. A section for 'Standard Observations' includes fields for Respiration Rate, Oxygen Saturation, Temperature, and Doppler Blood Pressure. A 'Submit' button is at the bottom right.

The completed **Patient Wellness Summary** can be viewed in the **Patient's Single Patient View**. You can view the detailed summary by clicking on **Expand**, and can also **Withdraw** if required.
