

# New NSA/CFA (Nursing Specialist/ Child & Family Assessment) in ppm+

A new dashboard is being launched which will combine the Nursing Specialist Assessment and the Child and Family Assessment

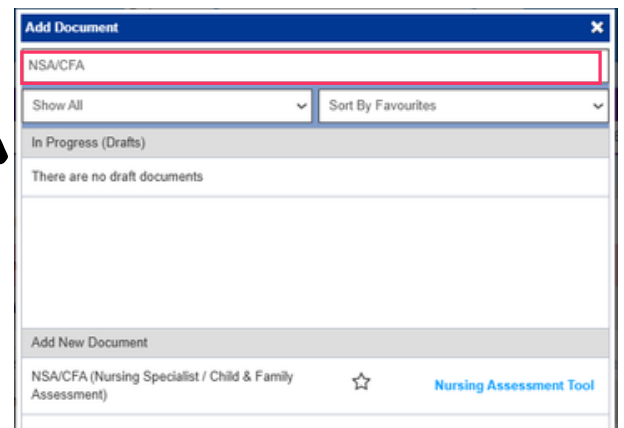

The **NSA/CFA (Nursing Specialist/ Child & Family Assessment)** can be completed via the **PPM+ mobile app** and the **desktop version** of PPM+.

The eForm can be accessed via **Clinical Dashboards** in PPM+ and Selecting **NSA/CFA Dashboard**.

The eForm can be also accessed via **eForms** in the **PPM+ Mobile** app or by using the **Add Clinical Document** function on the **desktop version** of PPM+.

Enter **NSA/CFA (Nursing Specialist/ Child & Family Assessment)** in the search field and select the eForm. You can also save this to your favourites by clicking on the **star icon**.

When the Nursing Specialist/Child and Family Assessment eForm is launched, the system will automatically open the new dashboard view. This dashboard is designed to support clear, accurate and structured completion of the assessment.

Once the assessment has been fully completed, users will be presented with clear assessment requirements and care planning prompts. This includes direct links to current digital assessments/care plans and relevant information, helping to streamline documentation completion.
