

Patient Wellness Assessment on

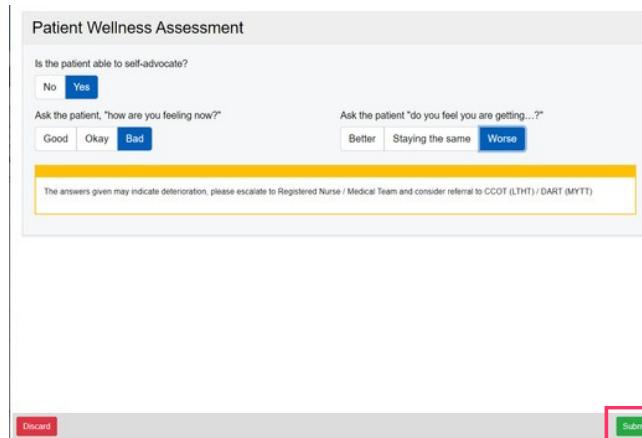

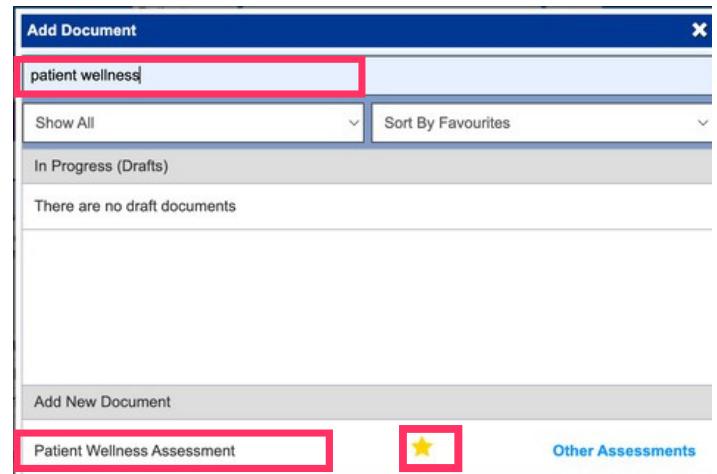

This assessment must be completed a minimum of once every 24 hours for your patient.

The **Patient Wellness Assessment** can be completed via the **PPM+ mobile app** and the **desktop version of PPM+**.

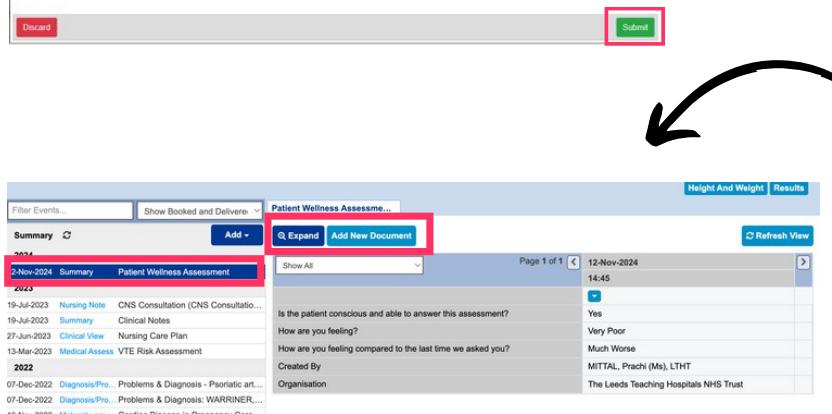

The **eForm** can be accessed via **eForms** in the **PPM+ Mobile** app or by using the **Add Clinical Document** function on the **desktop version of PPM+**.

Enter **Patient Wellness Assessment** in the **Search Field** and select **Patient Wellness Assessment**. You can also save this to your **favourites** by clicking on the **star**.

Complete the **eForm**. Once you have completed the eForm, click on **Submit**.

The completed **eForm** can be viewed as a **Summary** in the Patient's **Single Patient View**. You can view the eForm itself in more detail by clicking on **Expand**, **view the Timeline for the eForm**.

You can add another instance of the **Patient Wellness Assessment** directly from the **Summary view** by clicking on **Add New Document**.

[Click here](#) to view this **eForm's User Guide** or visit the **PPM+ Help Site** and look for this eForm's page in the **A-Z** to view the **User Guide**.
