

# Attaching an image to a Patient's Personal Disclaimer eForm now available on ppm+

You can now attach an image to a **Patient's Personal Disclaimer eForm** via **PPM+ Mobile App** and **Desktop version of PPM+**.

Access the **Patient's Personal Disclaimer eForm**, select **Yes**, when asked 'Would you like to take a photo of key possessions?'

## Patient's Valuables

Would you like to take a photo of key possessions?

☐ No ☒ Yes

Select **Choose file** below the title **Attach an image**. It is recommended that this is completed on **PPM+ Mobile App** via a **Trust iPad**. When you select Choose File the **iPad's camera will open**.

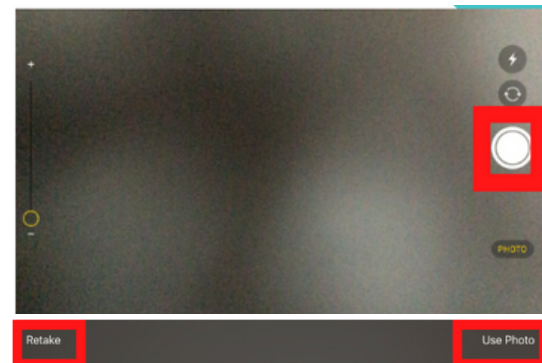

## Images

Photos added to this form are not to Medical Illustration quality and therefore should not be used as an alternative to Medical Illustration  
Please ensure patient confidentiality is considered if photos are taken using the PPM+ mobile app

Attach an image \*

[Choose File](#) no file selected

Click on the **capture** button to take the photo of the Patient's property. Once happy with the photo click on **Use Photo**. Click on **Retake** if you need to take the photo again. The image will **automatically be attached to eForm** when you click **Use Photo** and will not be saved on the iPad itself.

Click on the **+Add** button if you want to add any further images of the Patient's property. Upon completion of all sections of the eForm, select **Submit** or **Save Draft** to complete at a later time.
